FOREWORD

This is it. This is 1947, the year in which we as students are preparing ourselves to live in the world we want — a world, peaceful and brotherly, in which all our plans can be realized. The 1947 Talisman sets its ideals toward the making of the peace and toward this year — this is the year for Woodruff as well as citizens in the United States, England, South America, Russia, China, and the other allied countries to put into use those post war plans. This is the post war year. Following in victory's footsteps Woodruff students began this year to prepare themselves for their dream realities. No more longing, hoping, and dreaming for the future, for this is the future. We began it this 1947. This is it.

OBSERVER

Even though the '46-'47 season was well underway at Woodruff High School, no event was chronicled in the school organ until late October. Behind the scenes a new advisor and a new staff were working under great handicap to publish the bi-weekly **OBSERVER**—without a printer! No local printer was available. Once an out-of-town printer was secured, the **OBSERVER** appeared with the usual frequency. Editorial comment, dramatized news coverage, personality sketches, an original novelette in installments, a cover-all sports section, streamer headlines, interesting pictures and original features exemplifying the teen-age spirit of '47 established worthwhile trends in the new **OBSERVER**.

BUSINESS STAFF

We came to Woodruff, we sold ads, and helped pay for your **OBSERVER**. True, we have learned to get along with others and have gained knowledge of business, but the group of Woodruffites that make up the **BUSINESS STAFF** enable us to have our paper.

ORCHESTRA

The Woodruff Orchestra was organized to give musical instruction to the students. Since that time they have played for many school activities, and the most outstanding of these is the annual spring festival. Our aim is a bigger and better orchestra.

The Ushers group consists of girls from the four classes in school. They usher for the public performances put on by the school. For this service to the school the girls are awarded an usher letter. The girls earn these letters by receiving ten points each time they usher. At the end of two years, when they have earned two hundred points, they receive their letter.

The American Junior Red Cross is the American Red Cross in the schools — public, private, and parochial; elementary and secondary. As part of the organized, humanitarian program of the Red Cross, it offers its members an opportunity to serve others, both at home and abroad, in war and peace, through adaptable channels that are correlated with school activities. Thus it forms link between the schools and the broadening circle of local, national, and international society.

GOLF TEAM

Mr. R. Sanders, Earl Ford, Herb Haun, Gene Trunk, Raymond Tobias.

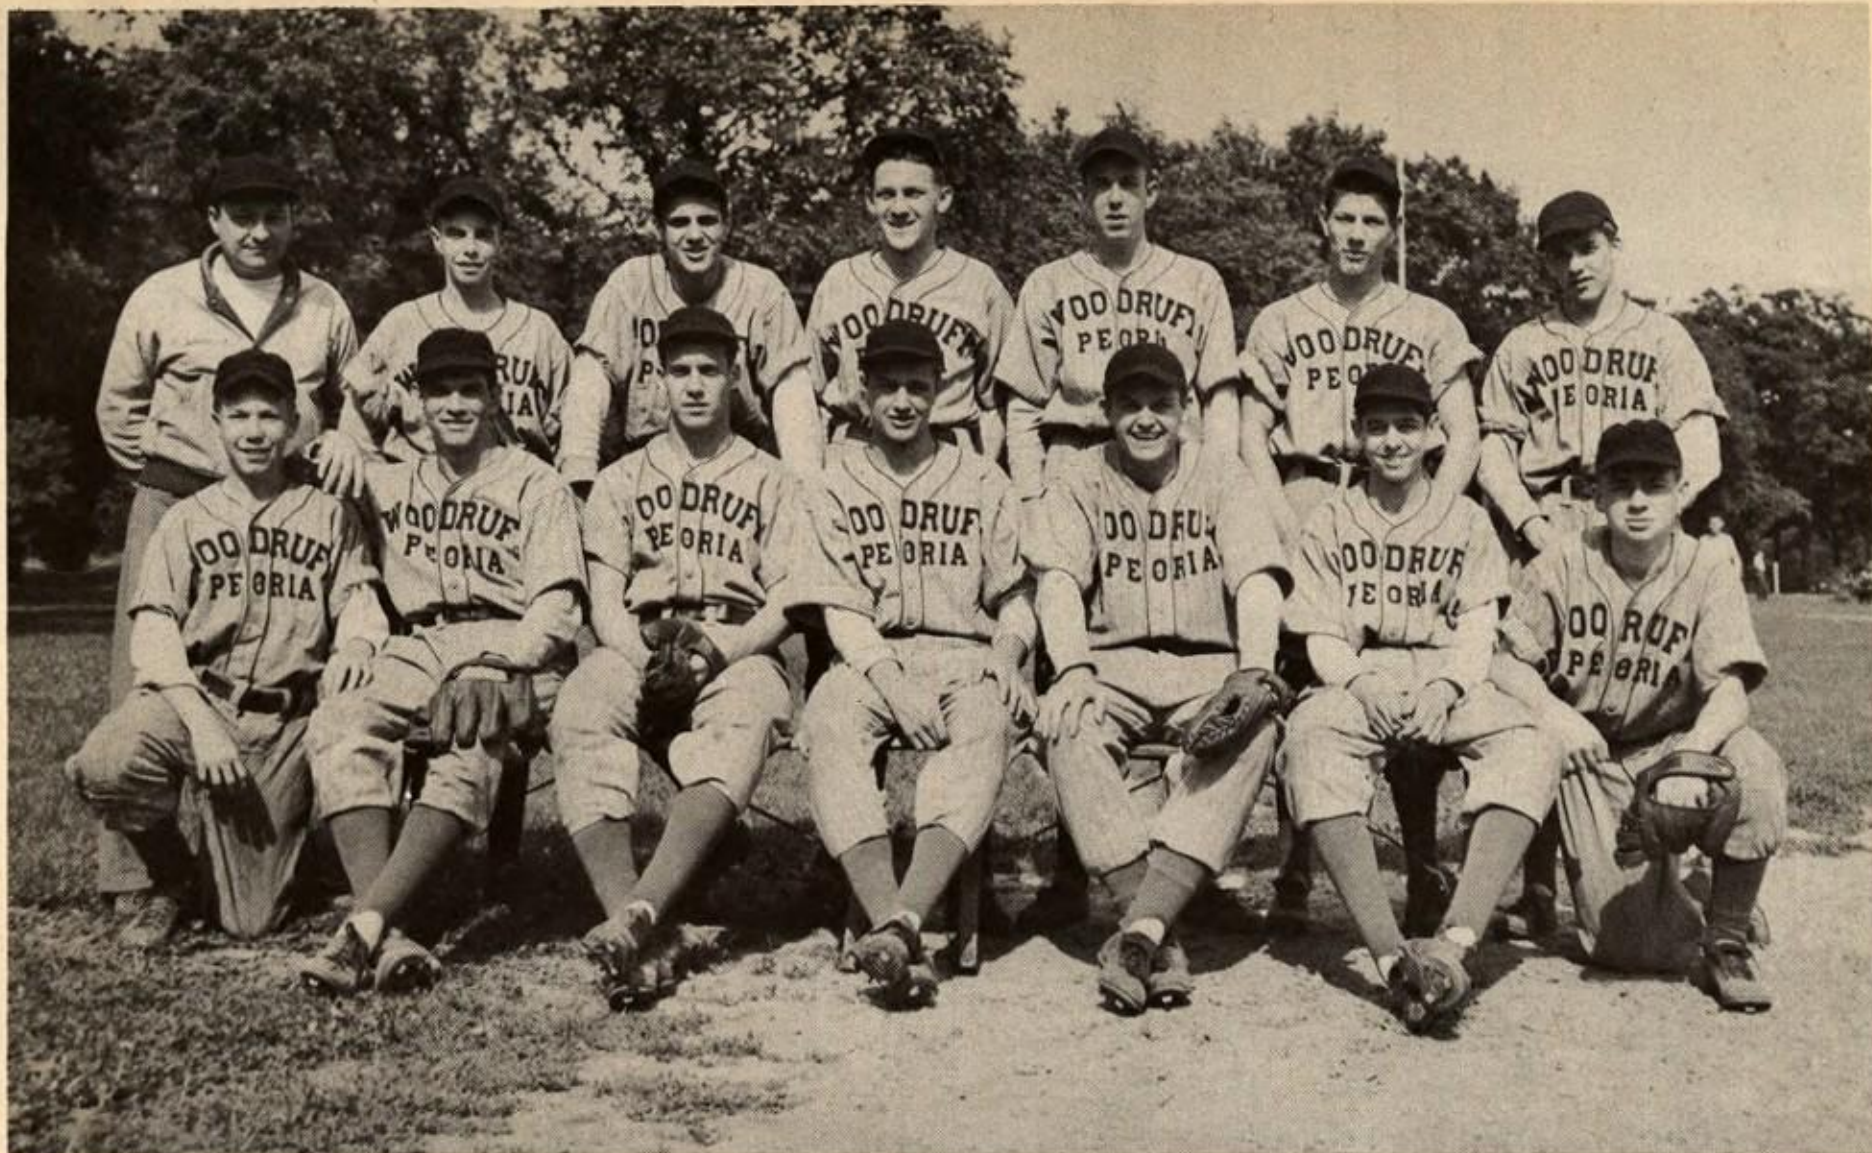

To back our championship athletic teams, Woodruff had nine tumbling cheerleaders that topped them all. The cheerleaders consisted of four girls and five boys, and were coached by Jan Crader. This unique, peppy, and clever cheerleading, and their exciting tumbling acts thrilled fans at home games, out of town games, and at Bradley University.

Jesse Macari, Gloria Garrett, Joe Solls, Barbara Jeneson, Richard Crotty, Iris Biegel, Jerry Carter, Pat Tate, Glenn Paddock.

Front row: James George, Dean Blair, Charles Rager, Marvin Anderson, Wm. Barlow, Donald Alford, Max Williamson.

VARSITY BASEBALL SQUAD

One of the most outstanding features of the 1946 baseball team was its fine pitching. Dean Blair and Chuck Rager combined, pitched 6 no-hit games. One of the most spectacular feats was that of Chuck Rager against Spalding. In this game he struck out 22 out of 27 men; the game was a no-hit no-run game. This game has gone on record as the most perfectly pitched game in high school competition in the U. S. The Woodruff fielding was excellent but the hitting was somewhat weak. The team placed second in city play and went through the Princeville district with only one hit being scored against them.

Anditz addressed to all Woodruff studence and their folks and frenz.

Eats is wot we live by--and buy. If we dont get eats we dont live--and whood want to?

But theres a difrents in eats. Sum eats is bettern other eats--and thats wot we want to talk about.

Theres a stoar at East McClure and Atlantic that sells foods thatl tickel any throat. Its MAYHALLS at 715 Atlantic. If you want yours out of a can, this store has lotsa cans thats got super--dooper contence--some of the tasties things is real tabel-grade (in fact bettern some tabels!) and our frutes deserv only the choicest labels and appetites.

And meets! Boy oh girl--and pa and ma too! Whole familys and naborhoods like our meets--whether its meet balls or T-bones or chops or roasts. And thats no baloney. But the only way to proov it is to EAT OUR MEET. And if you do it once, weel meat you offen.

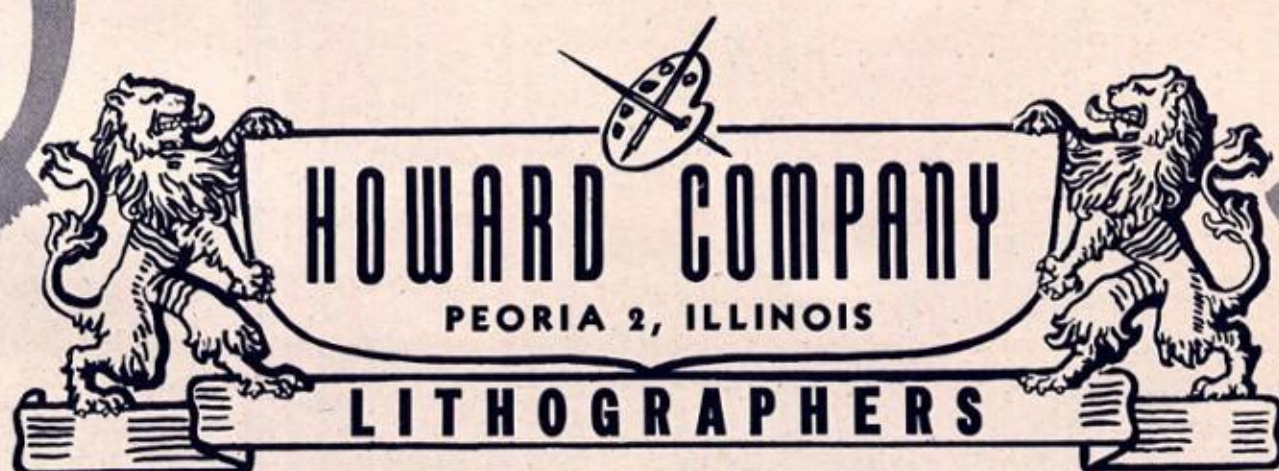

We have other good things too--all the good things you find in good food markets--and many things you dont--becaus the more things we got that you want, the better you like us and the oftener youl come back--which we hope is often.

In closing this essay we say again that some eats is bettern other eats and if you want the best in eats getum here and youl say lotsa times "Gee--that stoar's got the class--in fact, its got the whol school". Thats the principal thing we got--food thats got class--food thatl not only PASS, but thatl win "cum lawdy".

KLEIN'S

The Store For Young People's Fashions

Typical Teen Triol . . . left to right—Joyce Pottorf; Kay Curtis, and Jane Goss smartly attired in Skirts, Blouses, Jacket and Junior Dress featured in Klein's second floor Teen Center.

The cameraman catches a young homemaker just as she's getting ready to prepare a jiffy-quick meal from her stocks of foods in the frozen food locker of her new Servel Refrigerator. The locker is big enough to hold a whole basketful of frozen foods. She saves hours of marketing time — every meal is easier, quicker to serve.

STAYS SILENT... LASTS LONGER

Servel The GAS Refrigerator

Servel brings you the best, the newest in frozen food storage — in moist and dry cold protection for fresh foods. PLUS the famous freezing system without a single moving part. You won't hear a whisper from your Servel Gas Refrigerator. No machinery to wear, cause noise or need fixing. Instead, a tiny gas flame does the work efficiently, dependably.

See the new 1947 Servel Gas Refrigerator now on display. This is the ideal refrigerator for your present home or your home of tomorrow.
